Three Strohm Sisters Family Foundation
946 Edwards Boulevard
Valley Stream, New York 11580

Dear Friends;

It is my pleasure to write on behalf of the Three Strohm Sisters Family Foundation. This is a special night for a special organization.

Cancer is a disease that touches millions of Americans every day. Organizations such as the Three Strohm Sisters help make the lives of those suffering from cancer a little more hopeful everyday. Some of those suffering may only have hope left and that is why it is so important to recognize and support organizations such as this.

Please accept my best wishes for a most successful event and my thanks for all your dedication.

Sincerely,

A handwritten signature in black ink that reads "Michael Balboni".
